

Curriculum

In **English**, we will be studying Sherlock Holmes and creating a crime fiction story. We will also be writing and performing an advert for our theme park ride (DT & Maths).

In **Art**, the pupils will be creating a project that focuses on our big question. They will choose from a range of different styles and produce a piece of work that will be displayed in the 'Create' exhibition at the end of the year.

In **DT**, the children will make their electrical fairground rides, having designed these in Explore.

In **Music**, we will be carrying out a case study linked to body percussion and analysing a piece of music. We will end with the Y6 show!

In **Computing**, we will be designing 3D models, with a focus on digital media.

In **PSHE**, we will focus on our big question: 'How can the media influence us?' A big focus of their last term in primary school will be around the transition to secondary school.

'Wow' moments

- DT project: Making electrical fairground rides
- Walk from Eridge
- Art project: producing a piece of art for gallery
- The Year 6 show
- Wales residential trip

Year 6

Terms 5 & 6: Create How can the media influence us?

Our value this term is
'Imagination through Curiosity'

Maths

- Statistics
