

It is with great pleasure that I welcome you all to another exciting year at Claremont.

As Chair of Governors, I am privileged to work alongside a dedicated team of governors, staff, and parents to ensure our school continues to provide the highest quality of education for our students.

At Claremont we believe that every child deserves the best start in life, and we are committed to creating a nurturing and inclusive environment where all students can thrive. Our focus is not only on academic success but also on personal development, helping each child build confidence, resilience, and a love of learning.

The Governing Board plays a key role in supporting the school's leadership, holding them accountable to ensure that the needs of our students are at the heart of every decision. We work closely with the Headteacher and staff to promote excellence in teaching and learning, while also safeguarding the well-being of everyone in the school community.

I encourage all parents to stay involved, as your support and engagement are vital to our success. Together, we can help our children achieve their full potential.

Here's to a fantastic year ahead!

Warm regards,
Jason Livingston
Chair of Governors
