

Sandra Williams

Sandra has been a Co-opted Governor since May 2022.

Having lived and worked locally as a GP for 30 years this has enabled her to gain a wealth of experience particularly in family medicine, safeguarding, staff management, appraisals, health boards and practice governance all of which can be valuable to her role as a school governor. Sandra is married and has 4 children, 2 of whom were at Claremont. Her family share a passion for all sport and Sandra has undertaken many voluntary roles in local community sports clubs over the years.
